Warrant for Annual Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Milford in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Milford on Tuesday, the ninth day of March, next, at eight of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To act upon the reports of all town officers, agents, and committees, and raise and appropriate money relative thereto.

4. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes, if necessary, as provided by law of 1907.

5. To see what sum of money the town will vote to raise and appropriate for town officers' salaries, town officers' expenses, election and registration expenses, municipal court expenses, repairs and supplies for the town house, police protection, fire protection, moth extermination, collection of garbage, health department, vital statistics, town maintenance of highways, general expense of highway department, street lighting, Milford Free Library, town poor, parks and playgrounds, cemeteries, interest on temporary loans, interest on bonded debts, interest on serial notes, water and electric utilities, Livermore Community Association, work on town

trees, damage and legal expense, town construction of highways, sidewalk construction, sewer construction and maintenance, payment on principal of debts, and county taxes.

6. To see if the town will vote to raise and appropriate the sum of $442.00 for advertising the town through the Monadnock Region Association.

7. To see if the town will authorize the selectmen to administer or dispose of any real estate acquired by the town through Tax Collector's deeds.

8. To see if the town will vote to raise and appropriate the sum of $1000.00 to be administered by the Selectmen, for use in the Police Department, Fire Department, or Health Department, in any emergency that may arise due to the war.

9. To see if the town will vote to raise and appropriate the sum of $700.00 for the Fire Department, to be used for the purchase of fire hose.

10. To see if the town will vote to raise and appropriate the sum of $616.37 for T. R. A. work on highways.

11. To see if the town will vote to place the appointment of Highway Agent in the hands of the selectmen beginning with the fiscal year of 1944.

12. To see if the town will vote to raise and appropriate the sum of $3600.00 for oiling hard surface roads according to the four year plan as outlined by the highway agent.

13. To see if the town will vote to continue the practice of allowing the discount for early payment of taxes.

14. To see if the town will grant to the Board of Selectmen authority to sell for the town and deed

to Harold E. Reed, a certain part of the French and Heald land, so-called, now owned by the town, that lies between the Souhegan River and the private road leading through the property from Maple Street to Nashua Street, which may be bounded and described as follows: Beginning at the northerly corner of the southerly side of Maple Street at the junction of Maple Street and the Souhegan River; thence southerly by the Souhegan River about 137 feet to land of Harold E. Reed; thence westerly by said Reed land about 160 feet; thence northeasterly in a straight line by land of the Town of Milford to the point of beginning.

15. To see what action the town will take relative to amending "Rules for Town Meeting and Caucus" adopted March 11, 1919 and amendments thereto, to make them comply with recently enacted legislation.

16. To see what action the town will take relative to acceptance of the legacy of Minnie G. Epps bequeathing the "Blacksmith Lot" for Library purposes.

17. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and forty-three.

WINSTON F. HANLON,
FRED N. HUTCHINSON,
MAURICE G. JEWETT,
Selectmen of Milford.

REPORT OF HEARING ON PROPOSED ZONING ORDINANCES

In accordance with vote at Town Meeting of 1941, a public hearing was held at the Town Hall on the proposed zoning ordinances for the Town of Milford on the evening of November 27, 1942.

This meeting was called to order by C. B. Frost, who acted as chairman. After due course of discussion it was the unanimous consent of those present that the proposed zoning ordinances for the Town of Milford be shelved and that all consideration of it be postponed indefinitely. The total number present at this hearing was seven, including the three selectmen, and C. B. Frost, Chairman of the Zoning Committee.

WINSTON F. HANLON,
FRED N. HUTCHINSON,
MAURICE G. JEWETT,
Selectmen of Milford.

Report of Auditors

We certify that we have examined the items, vouchers and accounts of the following departments for the year ending January 31, 1943, and find them to be correct to our best knowledge and belief:

Clerk of Board of Selectmen
Building Inspector
Treasurer of Cemetery Trustees
Town Treasurer
Justice of Municipal Court
Tax Collector
Town Clerk
Treasurer Livermore Community House Committee
Treasurer of Board of Firewards
Road Agent
Treasurer of Trustees of Trust Funds
Treasurer of Memorial Day Committee
Treasurer of Trustees of Lull Memorial
Treasurer of Parks and Playgrounds Committee
Treasurer of Planning Board
Treasurer of Milford Free Library
Overseer of the Poor
Treasurer of Board of Water Commissioners

We have examined the securities in custody of Trustees of Trust Funds and found them to be in satisfactory order.

Fire insurance policies on town buildings and fire trucks were exhibited to us and found to be in force and in proper form.

Surety bonds on all bonded town officers were exhibited and approved.

The books of the Milford School District and of

the Treasurer of the School District for year ending June 30, 1942 were audited and approved.

Respectfully submitted,

F. S. KIMBALL,
H. E. TRENTINI,
Town Auditors.

Milford, N. H., February 23, 1943.

REPORT OF COMMITTEE TO CONSIDER MATTERS IN CONNECTION WITH PROPOSED LIBRARY BUILDING

It is the opinion of your committee that the bequest of Mrs. Fannie Boynton Wadleigh will not be available in the immediate future and if it were available it is certain construction could not be considered until the issues of the war have been determined.

The town, however, should come to a decision relative to the bequest of Mrs. Minnie G. Epps of the Blacksmith Shop lot on Union Street at foot of Elm Street, which bequest was made in the following language: "For the sole purpose of erecting a library building thereon."

It is the opinion of your committee that in order to use the lot for the purpose set forth it would be necessary to acquire the Louis Aimini store and lot, also the Dr. Carey residence and lot, and would further entail a very substantial expense to properly grade the site, also that other lots can be made available to better advantage.

We therefore offer for consideration of the town the following preamble and resolution:

"The town hereby expresses its sincere appreciation of the generous bequest of Mrs. Minnie G. Epps but for reasons set forth in report of our committee, deems it inadvisable to accept the same.

"Therefore be it Resolved: That the bequest be not accepted."

To the unexpended balance of the appropriation of the town of $500.00 for expenses of the committee, reported a year ago as $504.20, has been add-

ed $7.65 interest, leaving a balance of $511.85 in the hands of our treasurer.

We recommend that the committee be continued for further study and report.

C. S. EMERSON, Chairman,
MINNIE W. FALCONER, Clerk,
BENJAMIN F. PRESCOTT, Treas.,
GERTRUDE N. HOWISON,
MARIO D. BIANCHI,
OWEN P. FISK.

SYNOPSIS OF RECORD OF TOWN MEETING MARCH 10, 1942

Total Number of Votes Cast 646

The Polls were opened at 8 o'clock A. M. and the business meeting at 9.30. Prayer was offered by Rev. W. F. Addison of the Congregational Church.

Acting under Article 1 of the Town Warrant the following town officers were elected: Town Clerk, Donald C. Bruce; Town Treasurer, Frederick W. Sawyer; Selectman for three years, Maurice G. Jewett; Selectman for one year, Winston F. Hanlon; Library Trustee for three years, Benjamin F. Prescott; Trustee of Trust Funds for three years, Frederick W. Sawyer; Fire Wardens (three), Jeremiah J. Casey, John J. Casey, George F. Jewett; Highway Agent, Daniel D. Steele; Auditors (two), Fred S. Kimball, Hugo E. Trentini.

Article 2. It was voted to raise and appropriate such sums of money as were necessary to defray town charges for the ensuing year.

Article 3. Reports of Town Officials were accepted as printed.

Article 4. It was voted to authorize the selectmen to borrow in anticipation of taxes, if necessary, as provided by law of 1907.

On recommendation of the Ways and Means Committee, it was voted to allow ½ of the previous discount to property owners, if taxes were paid on or before a certain date. The rates allowed for several years had been 2% and 1%. The change was made because of the low rate at which the Town could borrow money at the present time.

Working under Article 5 of the Warrant the following sums of money were raised and appropriated:

Town officers' salaries	$ 3,020 00
Town officers' expenses	1,800 00
Election and registration expenses	400 00
Municipal Court expenses	500 00
Expenses of town hall and other town buildings	3,000 00
Police department	4,100 00
Fire department	4,500 00
Health department	700 00
Vital statistics	125 00
Sewer maintenance	700 00
Garbage (to be administered by selectmen)	500 00
Town maintenance	6,000 00
Street lighting	5,300 00
Snow removal	4,000 00
Libraries	2,850 00
Town poor	5,000 00
Old age assistance	5,000 00
Memorial Day exercises	200 00
Monadnock Region Association	200 00
Municipally owned water and electric utilities	2,460 00
Cemeteries	900 00
Livermore Community Association	200 00
Interest on temporary loans	300 00
Discount on taxes	750 00
Interest on long term notes	880 63
Legal expenses	100 00
Sidewalk construction	800 00
Sewer construction	300 00
Abatements	1,000 00
Taxes bought by town	4,000 00
Payment on long term notes	6,000 00
County taxes (actual $26,966.34)	32,356 16

Article 6. The sum of $432.00 was asked by the Monadnock Region Association as Milford's share

towards promotional work of this Region. The amount of $200.00 was raised and appropriated, on recommendation of the Ways and Means Committee. This is included in the Budget.

Article 7. A motion, made by Mr. Wadleigh, to authorize the Town to dispose of any real estate acquired by it through Tax Collector's Deeds, was voted favorably.

Article 8. The sum of $1000.00 was raised and appropriated for use in the Police Department, Fire Department, or Health Department, in case of emergency that might arise because of the war. This to be administered by the Selectmen.

Article 9. Under this article the sum of $615.57 was raised and appropriated for T. R. A. work on the highways. This was voted in order that the town would be eligible to receive a certain sum from the State for work on gravel roads.

Article 10. It was voted not to purchase a new truck for the Highway Department.

Article 11. The sum of $700.00 was raised and appropriated for the purchase and maintenance of a car for the Police Department.

Article 12. The sum of $700 was raised and appropriated for the Fire Department, to be used in purchasing extra supplies and equipment.

Article 13. The sum of $450.00 was raised and appropriated to replace timbers and replank the Swing Bridge.

Article 14. The sum of $700.00 was raised and appropriated for oiling Nashua and Elm Streets from High Street to Coburn's Garage.

Article 15. The sum of $700.00 was raised and appropriated to improve the far end of Prospect Street.

Article 16. To see if the town would vote to place the appointment of the Highway Agent in the hands of the Selectmen beginning with the fiscal year of 1943 as provided in Chapter 80, Section 10, Public Laws of N. H. 1926.

This was approved by the Ways and Means Committee but was voted unfavorably by the Town.

Article 17. Relative to the sale of real estate held in the O. W. Lull Memorial Fund, this article was, at the request of Mr. Emerson, divided into two resolutions. The first resolution was as follows: "Resolved: That the selectmen are hereby empowered and instructed to sell, dispose, and give proper deed or deeds of the real estate held in the Col. O. W. Lull Memorial Fund, reserving a portion thereof as a permanent memorial to said Col. O. W. Lull. The funds derived from the sale of real estate shall be added to the other assets of said Col. O. W. Lull Memorial Trust Fund."

The second resolution was: "Resolved: At such time as a library building is erected that a room be set aside in said building to be known as the Col. O. W. Lull Memorial Room or Hall, to contain the relics and mementos of Col. O. W. Lull. That the room set aside for the purpose herein outlined shall have prominently displayed a bronze tablet setting forth that it is a memorial to Col. O. W. Lull as provided for by request of his wife, Mary A. Lull. That the town shall receive reports of the fund at each annual Town Meeting."

There was considerable discussion of these resolutions, after which both were voted favorably.

Article 18. Under this article, Benjamin F. Prescott offered two resolutions. Resolution No. 1: "Resolved: That the Town of Milford, N. H., accept the bequest of the residuary legatees in the will of Min-

nie G. Epps, for the benefit of the Milford Free Library."

Resolution No. 2: "Resolved: That the selectmen are hereby authorized and empowered to sign any deed or deeds for the conveyance of the town's interest in any real estate owned by Minnie G. Epps or to give Florence M. Sweeney the power of attorney authorizing her to sell and convey the interest of said town in said real estate, said town being one of eight residuary legatees under said will."

Both of above resolutions were adopted.

Article 19. The sum of $97.50 was raised and appropriated to pay the premium on fire insurance policies written on the Community House.

Article 20. Under this article Mr. Emerson made a motion that the instruction to the selectmen relative to the Zoning ordinances be renewed. The motion was adopted. Also the following resolution, presented by Mr. Goldman, "Be it Resolved: That the Ways and Means Committee which is to report to the 1943 town meeting be appointed immediately, or that the present committee be empowered to continue for another year" was voted favorably.

Continuing under Article 20, the following resolution offered by Mr. Emerson was adopted. "Resolved: That the Selectmen be instructed to offer the proper Federal authority the cannon and cannon balls, in possession of the town, same to be used as raw material for munitions."

Town Meeting recessed at 12 M., to be again called to order at 1.30 P. M., at which time the State of Ballot for Town Officers was declared. Adjourned at 1.40 P. M.

Respectfully submitted,

DONALD C. BRUCE,
Town Clerk.

For the Year Ending December 31, 1942

Our case load has been only about 66% of last year and at present there are no able bodied persons on relief.

The first of the year a WPA project was started at the U. S. bombing range at Joe English Pond and about fifteen men from Milford were employed. The town and county combined to furnish transportation. The Town of Milford half was charged to direct relief. We believe that there was enough saved on direct relief to more than cover this expense.

Unfortunately there have been several expensive hospitalization and board and care cases, so that our relief expense has been nearly as large as last year. These cases are chronic and this expense will continue for some time to come.

LEON L. JUNKINS,
Overseer of the Poor.

As no appropriation was requested for operating expenses during 1942, the Commission took care of the year's expenses for regular maintenance of parks and playgrounds out of previous year's balance. Due to present conditions, operations for maintenance have been kept down to absolute minimum, and it did not seem feasible to undertake the skating rink because of labor shortage, and extremely changeable weather conditions.

MILFORD WATER WORKS

REPORT OF THE WATER COMMISSIONERS

To the Citizens of the Town of Milford, N. H.:

The Board of Water Commissioners herewith submit their report for the year ending December 31, 1942, together with the financial report of the Treasurer.

The year 1942 in the activities of the Water Works Department has been one of not any major expenditures of money and with the exception of completing the main as planned in 1941, on the Black Road, so called, there has been but little new work. This expense had been partly paid for in 1941.

We have reduced our water notes by $2500.00 and all interest is paid to date. This is an excess of $1,000.00 of what is required. We hope to be able to make a like payment during 1943.

The past year there have been several changes in the personnel of the Water Department. Mr. Fred Cooley, whose termed expired, did not wish to continue as a member of the Board, after a long period of valuable service. His many qualifications made him a valuable member of the Board. In matters that required good mechanical judgment, he rendered valuable service and the Department regrets he could not continue. Mr. Owen Fisk was appointed by the Board of Selectmen and has been of much assistance, and the means of saving the Department many dollars in his efforts.

In June Mr. E. A. Tilton, who had served as Station man for eighteen years, gave his notice of retiring owing to ill health. We learned with regret of his decision. He always took great pride in his work, and in his routine duties was faithful 100 per

cent. There is not another pumping station in New Hampshire that we have visited that can compare with Milford's for neatness and order, and this has been the result of Mr. Tilton's untiring efforts. Always courteous to everyone who wished to visit the Station, he made many friends who will long remember him as a fine type.

The Commissioners thought it good business judgment to insure the many units of our Water System against war damage, and placed a policy with the A. L. Keyes Agency for $35,000.00 on the pumping station and its equipment, and $15,000.00 on the two standpipes, a total of $50,000.00; the premium paid cost $90.00.

We were able to obtain a lower electric power rate from the Public Service Company. This is from last September and means a considerable savings during the year.

War regulations have been such that they have been the means of curtailing many improvements we had planned, owing to the inability to purchase material needed for war purposes.

The balance in our treasury shows not an excessive amount but what is available above our allowed working capital will be turned over to the Selectmen to reduce our Water Department notes.

Respectfully submitted,

K. K. STIMSON,
RALPH GAINEY,
OWEN P. FISK.

REPORT OF SUPERINTENDENT

To the Board of Water Commissioners, I hereby submit a report of the Water Department for the year ending December 31, 1942.

We finished the extension of the main on the Merrimack Road, started in 1941. As this project

was started before 1942, we were allowed by the War Production Board to complete it. The pipe line should be continued at some future date to connect with the main on Border Street. Also at the same time, the line on Amherst Street should be continued to connect with the line on Border Street at the junction of Amherst Street, which would relieve a dead end and give better fire protection on Border Street.

During the year we located and repaired a number of small leaks, including a leak in the Stone Bridge that had been leaking for some time, but was difficult to locate.

Although the price of fuel oil has increased about one-third, and we have had a decrease in electric rates, the Diesel operation shows a substantial savings.

We contracted last year to have the No. 1 Standpipe painted, but due to the war conditions, the contractor has been unable to do the work.

The only major operation for the coming year is the re-sanding of the filter.

Respectfully submitted,

R. F. CAMPBELL,
Superintendent.

REPORT OF SUPERINTENDENT OF SEWERS

To the Honorable Board of Selectmen:

I herewith present my report as Superintendent of Sewers for the year 1942.

Owing to the scarcity of labor the activities of this department have been confined to the general maintenance work, which included the building of one manhole on Union Street.

We plan on doing some extensive cleaning, but owing to labor conditions there are not many real men willing to work for forty cents per hour.

Respectfully submitted,

R. F. CAMPBELL,
Superintendent.

MILFORD FREE LIBRARY

REPORT OF THE TRUSTEES

To the Town of Milford:

The Milford Free Library reports again a very busy year. The greatest problems of the librarians are caused by the crowded conditions of our present library rooms. New books must be bought constantly and reading lists must keep pace with publication, but shelf room is an increasingly difficult problem.

Miss Ames in November arranged an interesting exhibit of posters and pupil work in cooperation with the teachers of the Elementary School. She has continued the popular Saturday morning story hour in winter months. She has arranged reference reading for junior and senior high school classes.

Miss Secombe conducted in January and February, 1942, a Victory Book Campaign, sponsored by the American Library Association, the American Red Cross, and the United Service Organizations. Three hundred and sixty-three books were contributed by the citizens of Milford. The books were all readable modern books in excellent condition. Another collection is now in progress.

Because of income which will be received in 1943 from the Minnie G. Epps Memorial Trust, the Trustees recommend that the sum of $2750.00 be appropriated for the use of the Milford Free Library.

Respectfully submitted,

HARLAND H. HOLT, Chairman,
BENJAMIN F. PRESCOTT, Treasurer,
RUTH D. FRENCH, Secretary.

REPORT OF THE LIBRARIAN

To the Trustees of the Milford Free Library:

I herewith submit the report of the Milford Free Library for the year ending January 31, 1943.

The circulation of the library has decreased somewhat this last year, as has that of a great many libraries according to reports.

We have kept up the usual activities, such as story hour for the children during the winter, which has had an enthusiastic attendance, Book Week, and reference classes.

Part of the reference books of Miss Ella M. Powers have beeen received by the library in accordance with her request.

As there was no rental library in town, it seemed advisable to start one here, as many other libraries have done lately. Forty-five books of fiction have been bought since June and twenty-nine have paid for themselves and been turned into the general collection.

We have added the Etude and Aviation magazines to our list.

The 1943 Victory Book Campaign is now on and we trust Milford will do her share as well as she did in the 1942 drive.

Respectfully,

ANNABELL C. SECOMBE,
Librarian.

Report of Civilian Defense

The intended brevity of this report will require the omission of many general facts and names of individuals that should, in all fairness and appreciation, be mentioned and recorded here. However, this report would not be complete without the encompassing statement that the co-operation, the time and effort, the faithfulness and the desire to serve, of those in Milford's Civilian Defense organization—as well as the generosity of those other public-spirited citizens who have given freely of time, supplies and materials—are greatly appreciated by this recorder and, I am sure, by the entire Town of Milford.

We have endeavored to keep our costs of installation, supplies and operation at a minimum. An examination of the break-down of Civilian Defense expenses will show, particularly to those who are familiar with the scope and detail of the organization, that much has been accomplished at little cost to the town. Indeed, we feel that a little further judicious spending would have been worthwhile in the maintenance of efficiency and interest.

Most of the expenses, aside from the continuing expenses of telephone and light, will not be repeated. Such items as stretchers, blankets, medical supplies, etc., will remain for any future emergency use by the town.

The operation and maintenance of Milford's Observation Post was, from its beginning, capably undertaken by the Ricciardi-Hartshorn Post, American Legion. The Observation Post system is not directly a part of our Civilian Defense organization. Nevertheless, it seemed unreasonable, although no complaint was made, for the Ricciardi-Hartshorn Post to have to carry the additional load of the run-

ning expenses of the Observation Post. Accordingly, your Chairman recommended and obtained the approval of the Selectmen to include these expenses in the cost of Civilian Defense. They are separately recorded in our financial report.

Notwithstanding the improved war news, an efficient and well-coordinated Civilian Defense Corps must continue to be maintained. To that end, we urge your individual support and co-operation.

Respectfully yours,
HARLAND H. HOLT, Chairman,
Milford Civilian Defense.

Report of Highway Agent

To the Citizens of Milford:

This department resurfaced 2888 feet of walks. We oiled the Ponemah Hill Road to the Frank Langdell place, the Berwick Road, Crosby Street, and one and one-half miles on the Mason Road from the Fred Conrey place to the Wilton line. We replaced two stone culverts with cement pipe and repaired a broken stone culvert. We re-timbered and re-planked the deck of the Swing Bridge.

We built Prospect Street from Trentini's to the end of the layout and built two culverts. Due to war work, we were unable to get a power shovel for excavation, causing our funds to run out before we could apply the oil.

With T. R. A. funds we cut to grade, widened and graveled nine-tenths of a mile on the West Road from the Brookline Road and to the John Daniels place on the Fannie Merrill Road.

Respectfully submitted,

DANIEL D. STEELE,
Highway Agent.

Report of Cemetery Trustees

We can report no major projects undertaken in the cemeteries the past year. We hope this year to be able to start laying water pipes in the front section of Riverside cemetery, then to begin a permanent road program in that cemetery. We are in receipt of a gift from the A. L. Keyes Memorial Fund with which we intend to start that project. The new section of that cemetery which we have been developing and seeding down to grass the past two years is in fine shape and a large percentage of the new lots which were sold the past year were in that section. These lots are sold for $150 each, which includes $100 for a perpetual trust fund. In this way the owner is assured that his lot and all the neighboring lots will forever be taken care of. We started last Fall to develop a large tract in the front section. We believe that this will make the cemetery more attractive from Nashua Street.

The new gates and approach to West Street Cemetery have brought much favorable comment the past year. It is our desire, in the not distant future, to have permanent road construction on the main avenues of that cemetery.

It is our intention to finish the fencing of North Cemetery this year. The job is about half completed and we have all the necessary material to finish it.

The improvement of Elm Street Cemetery has been highly commended, especially by former citizens of the town. We believe that the small added maintenance cost of keeping that cemetery mowed in the summer is worth while.

LEON L. JUNKINS,
HENRY A. ROMANI,
RODNEY C. WOODMAN,
Cemetery Trustees.

REPORT OF SUPERINTENDENT OF CEMETERIES

During the past year we feel that we accomplished a great deal with the amount of money we had to work with. Because of the very wet season there was more expense for mowing than we had anticipated, therefore there was less money for some of the work we had planned to do.

On the southeast side of the North Yard creosoted chestnut posts were put up and we expect to complete the work this spring and wire it. At the entrance at the south side of Riverside cemetery several new lots were ploughed up and are ready for fertilizer and reseeding which we hope to accomplish this spring and summer.

Because of the dirt constructed roads in the Milford cemeteries much work is necessary each spring to repair the frost damage.

In closing I wish to say thank you to the Trustees and the citizens of Milford for their cooperation during the past year.

Respectfully submitted,

ANTIMO CARPENTIERI,
Superintendent of Cemeteries.

Report of Trustees of Lull Memorial

The Trustees of Lull Properties, Real Estate, herewith submit their annual report.

By vote the citizens of the Town of Milford at the last Town Meeting authorized the Selectmen to sell the properties. They have succeeded in disposing of the so-called Amsden and Holt houses. This leaves only the Homestead with its two tenements in our hands and we suppose that we will still continue to function until it is disposed of.

Respectfully submitted,

SAMUEL A. LOVEJOY,
LEON L. JUNKINS,
FRED E. COOLEY.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Milford, New Hampshire:

I herewith present my fourth annual report, the twenty-fourth in the series. I propose to present three topics, besides the usual statistical tables which follow.

Schools Must Go On

During such difficult times, it is with some hesitation that we attempt to interpret the schools to the public. The demands are so heavy in this and that respect that one hardly knows which to put into effect and which to eliminate for so many appear to be worthy. I notice other people of experience find themselves in a similar predicament. Therefore, it seems to me that we should have a great deal of sympathy for the young people who experience difficulty in adjusting themselves to the war conditions.

The growth of children cannot be stopped until this struggle is over. Their growth is continuous and schools must go on with their development. British leaders have learned that the war only intensifies the need for good schools. The future strength and leadership of America is now in school.

I trust each and everyone is following the evolution of the school from peace-time to war-time preparation. Accelerated programs in higher institutions cause changes in our high schools and grades. Scrap collections, sale of war stamps, participation in various drives, rationing programs affect the school's former program. Through it all, I find a wondeful spirit of loyalty and a desire to do one's part.

Personnel

I could devote my compete discourse to this subject. As suggested before, these are no ordinary times and the need for competent teachers was never greater. Teachers are entitled to a wage consistent with their importance and comparable to that received in other walks of life. There is enough unrest in the world and there will be enough after the war without having a group of dissatisfied and underpaid people in charge of our schools and children. We shall need those who can hold their heads up and be proud of the treatment given them by their communities. Appreciation may even be a partial substitute for monetary consideration.

We have had plenty of difficulties with the retention or recruiting of a teaching staff. I urge you to be just as generous in the matter of teachers' salaries as you can. I well remember my statement of last year regarding adequate salaries. No sooner had I made that statement than was it out-of-date. Conditions in the teacher market grew steadily worse and we were confronted with serious problems. We have been fortunate to make the changes as effective as they have been. Following the last district meeting and with the new contract season at hand, we again felt the seriousness of the situation and cast about to see what changes or economies could be affected so that more money could be devoted to salaries. The program at the high school was changed from five long to six shorter periods with the elimination of one teacher from the staff; a careful investigation of the Pine Valley situation was made and, meeting with little criticism due to available transportation, that school was closed and the children transported to the main Elementary building, thus eliminating another teacher. The resulting savings were immediately made available

for teachers' salaries. Although we have suffered losses during this year to date, the most of them have been caused by teachers leaving for army duty. The extra money gained has been a big help in retaining our staff as well as making it possible to outbid some other schools in obtaining the services of some of the replacements.

The changes before school opened were as follows: Misses Flora Abbiati, Bertha Johnson, and Etta Queenan left for marriage. Miss Alice Ouellette was not needed after the consolidation described above. Messrs. Lawrence Stewart and Harold Graeme left for more lucrative positions as did Miss Barbara Gullberg. Miss Beatrice Miller was given a leave of absence for one year to work in a defense factory. Miss Margaret Doucoumes from Keene Teachers College, Miss Marjorie Frost from Derry, Miss Florence Bradley of Newburyport, Mass., replaced the first three named. The latter two are teachers of long experience. Miss Frances King came to replace Miss Ouellette at the Elementary building and Miss Nina Nutting of the closed Pine Valley School to the Laurel School. No replacement of Mr. Stewart was needed while Mr. Graeme's successor is Mr. Lindsay Hall of Keene Teachers College. Miss Ellen Lovell of West Boylston, Mass., was employed to succeed Miss Gullberg. Mrs. Blanche Robinson of Bradford, N. H., was chosen as Miss Miller's substitute.

Several changes have taken place since the opening of school last Fall. Messrs. Donald Cooney, James Noucas and Louis Pichierri were called into the Service and Mr. James Romeo left for a better-paid position. Several shifts in assignments and schedules were necessary as new staff members were recruited Mr. Charles Prior of Amherst was employed when Mr. Romeo left but his strength was not equal to the task and he had to be replaced by Mrs.

Florence Cooney. Miss Ethelyn Edwards of Wilton became music teacher part-time and Mr. Elgin Burtt teacher of Junior High manual training part-time. Mrs. Flora Abbiati White returned to teaching and the last switch in teachers involves the employment of Miss Rita Battistine, a January graduate of the University of New Hampshire. Now let us trust that the remaining months of the year will pass with a minimum of interruption because of teacher changes.

Suggestions

A special appropriation for interior decorating is included in the budget. It is hoped that we may continue to improve the interiors with fresh paint and varnish. If four to six rooms per year are refinished the financial burden does not seem so great as is the case when all the rooms must be done in one year.

Another special, which is included with the budget, asks an appropriation for liability insurance as a financial protection to school officials and teachers for accidents that might occur in the buildings, on the grounds, or on the athletic fields. Although there may not be any liability on the part of the school official or teacher, that does not prevent someone bringing suit which would require a large sum, a sum for which only the individual is responsible to pay to defend himself. Pupils, under this Comprehensive Policy, would receive relief up to $250 for injuries sustained while in school or in school activities. The assessment is small when you consider the possibilities and benefits to some 35 school people and 650 children.

I express my appreciation of the faithful work of the teachers, for the considerate attention the School Board has given to the work, and for the support of the entire citizenry.

Very respectfully,
HAROLD C. BOWLEY,
Superintendent of Schools.

REPORT OF HEADMASTER

To Mr. Harold C. Bowley, Superintendent of Schools, Milford, New Hampshire:

I herewith submit my second annual report as Headmaster of Milford High School.

Enrollment

The total enrollment through January 31, 1943 for the school year 1942-43 was 383 as compared with 373 last year and 397 the year before. This shows a slight increase for the year in our total enrollment. We have had quite a number of pupils leave school during the past five months. Many have transferred to other schools, some entering employment, while still others have joined the armed forces of the nation. At the present time we have 56 members anticipating graduation in June, as compared with 52 last year. The high school enrollment shows a slight increase over last year. The January 31, 1943 enrollment is distributed according to age and grade as follows:

ENROLLMENT AND AGE-GRADE TABLE

Girls	31	27	40	32	30	32	192

Tuition Pupils

On January 31, 1943 there were registered for the school year 1942-43 a total of 83 tuition pupils including six boys from Amherst who come over to take one course daily, as compared with 64 last year and 65 the year before. They are distributed by grades as follows: Grade VII-7; Grade VIII-3; Grade IX-23; Grade X-20; Grade XI-9; Grade XII-21. By towns: Amherst 11; Brookline 32; Greenville 7; Lyndeborough 9; and Mont Vernon 24. The above figures also include three pupils whose tuition is paid by the parent and not by the town.

Activities

Freshmen: The Freshman Class throughout the year has presented its annual Hallowe'en party and are now making plans for the presentation of its annual class play this spring.

Sophomores: The Sophomore Class has held its annual Sophomore Hop which comes in the fall and during last spring they presented their annual class play. During the sophomore year also comes the Kaley Prize Speaking contests which were unusually well done this past year.

Juniors: During the past year the Junior Class has held its annual play and during the spring term presented the play as sophomores. Plans are in the making for a bigger and better Junior Prom, the social highlight of the year.

Seniors: Since last January 31 the Senior Class

has held a very successful prom in the spring, and scored a decided hit with the presentation of the annual Senior Play last fall.

Glee Club Christmas Concert

On the 18th of December of 1942 the combined glee clubs of the Junior and Senior High Schools presented the annual Christmas Concert. A number of very impressive and appropriate songs were rendered in a program enjoyed by the students and guests.

Student Prints

Again, as in the past, the editorial staff of the Student Prints, working under the direction of Miss French, has enjoyed a very successful year. Many features have been added and the trend of the paper much in keeping with the times.

Athletics

Milford High School is again represented in the Monadnock League for athletic participation. Because of war conditions a curtailed schedule was necessary. However, it was felt that the valuable training received in athletic competition, the building of character, and good sportsmanship in our boys and girls should continue.

Graduation

Graduation exercises were held in June in the Harold C. Bales Auditorium. A class of 52 was graduated and received their diplomas from Superintendent of Schools Harold C. Bowley.

Conference Period

Again, this year, as in the past, a period is set aside daily during which pupils may obtain help from teachers. This comes from 3.30 to 4.00 P. M. Each pupil who receives a warning or a failing mark is required to stay and receive extra help in that subject from the subject teacher. This time

furnishes an excellent opportunity for all pupils to get valuable guidance and counsel from the members of the teaching force if they would take advantage of the same. It is a period set aside primarily for the pupil to seek help.

The above list is that of teachers on the staff on February 1, 1943. Many of our teachers have been lost during the past five months due to being called to the service and the loss of one by accepting a position in another school. In view of the increasing difficulty to obtain teachers we have been extremely fortunate to find excellent replacements for those lost.

This report covers the first year of the War.

During that time the school systems of the country have been constantly faced with new and more difficult problems. Milford High School has been no exception in this respect. We have been forced to make numerous changes in our teaching personnel, arrange for material which will better fit our boys and girls for the building and carrying on of the type of world in which we want to live our future. In keeping with the trend in other schools courses in pre-flight aeronautics have been introduced in order that the pupils of today may have a better insight into the construction and manipulation of planes. This course has been very well taken and pupils are gaining valuable information for that air age which is expected to come after the termination of the terrible conflict in which the world finds itself today.

Various clubs and war effort activities have been arranged in order that the pupils in the Milford High School might do their bit toward the winning of the war. Perhaps the most successful single activity has been that of buying war stamps and bonds. The pupils have done extremely well and at the time of the printing have bought over two thousand dollars worth of stamps and bonds. Our boys and girls participated in the harvesting of the apple and other farm crops last fall and were very instrumental in the saving of the Souhegan harvest. More than 130 different pupils took part in this endeavor.

We of Milford High are constantly striving to make our institution one which will better serve the needs of our boys and girls in fitting them for the life which they are to lead once they leave the school. During periods of war some are prone to forget the importance of the education of our boys and girls. It is during this period that the greatest stimulus and help is needed in order that we may bring through the crisis boys and girls who are in a proper frame of mind for the absorption of the

ideas and ideaologies which will better make for ourselves a lasting country of peace to all and good will for all mankind.

Our tasks of building citizenship and character are made all the more important by the times. The teachers of Milford are doing their part in striving to inculcate in the minds of all pupils those striking qualities which will be necessary for good clean living of our future life. However, in order that our task be all the more complete it is necessary that we have the close cooperation of the home and the community in all our endeavors for the welfare of the pupil. That, during the year, has been most wholeheartedly given and is very much appreciated by the school.

In closing I wish to express my appreciation to the school officials, teachers, parents, and friends for that splendid cooperation and hope that this spirit may continue during my stay in Milford, and through combined efforts we will be able to make Milford High School become stronger and stronger with the years.

Respectfully submitted,
FRED W. SNELL,
Headmaster.

REPORT OF SCHOOL NURSE

Mr. Harold C. Bowley,
Superintendent of Schools,
Milford, N. H.

My dear Mr. Bowley:

In compliance with your request, I herewith submit a report of the school nursing work for the past year.

During the spring and summer we had children ill with three communicable diseases, namely, measles, chicken pox and whooping cough. Of the three the number of cases of measles far outnumbered the cases of whooping cough and chicken pox. School attendance suffered badly, but as a result of the epidemic the present school population should be immunized and the measles incidents should be light until we have a new group.

In the spring a three day Well Child Conference and Summer Round-Up was held in cooperation with the State Board of Health and the local Health Department. A large number of the children entering the first grade this fall received physical examinations and diphtheria immunization from the physicians in charge at that time. This is a most worth while effort as it gives parents an opportunity to have any physical defects found at that time corrected before the beginning of school. The immunization is of the utmost importance for it is as true with diphtheria as with smallpox, a constant program of immunization is the reason we no longer have epidemics of these diseases.

In December Dr. Dearborn completed the ardu-

ous task of the annual physical examination. This requires a good deal of time as an examination takes from three to six minutes per child. Notifications have been sent to the homes of the findings when there were physical defects found, that the parents may plan for the corrections.

Again this year defective teeth lead the list. It was most encouraging, however, to note the improvement in the teeth of the older children, most especially the high school age group. The greatest number of defects were found in grades 3, 4, 5, and 6, showing that special attention should be given this age group. We have learned as a result of the present draft examination that we are a nation with defective teeth. Education, especially nutritional education to prevent defects, and the early correction of any that may occur, is essential to our health program. May I suggest that this problem needs serious thought that a practical solution may be found?

In closing I wish to express my appreciation to everyone who has cooperated so willingly and cheerfully in this work, especially the superintendent and teachers.

Respectfully submitted,
ESTHER E. McCORMICK,
Red Cross Nurse.

Of the Deaths in town in 1942, 16 were carried out of town for burial: Amherst, 6; Belmont, Mass., 1; Bloomfield, N. J., 1; Brookline, 1; Cambridge, Mass., 1; Deering, 1; South Lyndeboro, 1; Marlboro, 1; Nashua, 1; Orange, N. J., 1; Wilton, 1.

Eighteen were brought from away for burial. Some were long ago residents.

Of the 69 Deaths recorded, 5 were between 90 and 100, 13 between 80 and 90, 19 between 70 and 80, 14 between 60 and 70, 9 between 50 and 60, 3 between 40 and 50, 2 between 30 and 40, and 4 under 30.

Of these deaths 35 were male and 34 female. One or both parents of 26 were born in other countries.

The Vital Statistics of a town are one of its most important records, not merely for today but for generations to come. If everyone would see to it that the records of their own families were fully and correctly filled out on the Marriage, Birth and Death certificates when handed in, it might be of great use to them or their descendants at some future day, and a great help to us in making out the records of today.

I hereby certify that the foregoing returns are correct according to the best of my knowledge and belief.

Respectfully submitted,

DONALD C. BRUCE, Town Clerk.
